Wan-dered here, wan-dered there, Fact I've wan-dered most ev-'ry-where,
Ev-'ry road, ev-'ry trail, Seems to whis-per the same old tale,

ad lib

Just like a gyp-sy I've roamed. Seen the bad, seen the best,
Seems to just beck-on me back. May-be soon may-be long,

Said the seas from the East to West, Ev-en where ice bil-lows foamed.....
I'll be sing-ing a hometown song And when I start down the track.....

Chorus

I'm go-ing back..... again to old Ne-braska And..... if a-ny-one should ask ya', I'll..... be where the

waving cornfields grow. In..... a tumble down old cottage Where, a humble

bowl of pot-tage Makes.....the most in-vit-ing meal I know..... Back to a

sainted pair..... With sil-ver painted hair,..... Once you're ac-quainted there..... you'll nev-er

roam..... So an-y place.....between here and A-las-ka, Why,.....if an-y-one should ask ya',

1 2

I'll..... be in my old Ne-braska home..... I'm go-ing .....
